About PM West 2022.

PM West is excited to return to an in-person conference on November 18, 2022 at the Pinnacle Marriott Vancouver.

This long-awaited gathering of project managers from senior level to aspiring PM's, offers sponsors exposure throughout the day, as well as on pre- and post- event promotions through the Canadian West Coast Chapter marketing channels.

Our members are looking for opportunities in professional development, careers and networking.

Our team of experienced conference organizers are focused on facilitating a fun and memorable event for all attendees and exhibitors.

Our cocktail event at the end of the day brings everyone together for a celebration of the new connections made.

There are only 12 spots available this year, so tables will sell out quick!

Organization and Management

Be assured that PM West is managed by a team of experienced event planners. It helps that they are Project Managers too!

Thank you [PMI CWCC](#) for this amazing conference.

Thank you [Douglas College Career Centre \(Co-op and Career Education\)](#) for providing us this opportunity.
